Senior Manager, Private Client Services

Guns & Hoses Division

248.918.5913 | dWASHINGTON@sequoia-financial.com

As a Senior Manager in Sequoia's Guns & Hoses division, Danielle works closely with Michigan law enforcement and firefighters helping them along their path to a successful retirement and toward making their financial dreams a reality. She brings more than ten years of advisory and portfolio management services to her current role and has also recently served as a retirement plan advisor.

Clients can expect accountability from Danielle as she works to earn their trust and create a financial plan based around their primary goals. Her focus is to make the conversation of detailed financial planning a topic that clients not only understand but are eager to be a part of. What she enjoys most about being a financial advisor is watching clients that were once hesitant savers, grow into strategic investors with confidence in their retirement plan.

Investment advisory services offered through Sequoia Financial Advisors, LLC, an SEC Registered Investment Advisor. Registration as an investment advisor does not imply a certain level of skill or training.
